

ANNUAL INDEX

The index includes articles, comments, official actions, obituaries, letters to the Editor, and book reviews appearing in volume 123 of this journal. Book reviews appear only in the subject index and are arranged alphabetically by principal author under the heading *o*. Book Reviews. All other communications appear in both the subject and author sections of this index.

The complete citation for each article is given in the author index under the name of the first author; joint authors are listed alphabetically with a cross reference to the full citation. Titles in the subject index are often inverted or shortened and when there are two or more authors only the name of the first is shown.

Abbreviations used to denote entries other than regular articles and brief communications are: (Ed. N.), Editor's Notebook; (In Mem.), In Memoriam; (Off. Act.), Official Actions; and (Ltrs. to Ed.), Letters to the Editor.
